Dear Mary,

This letter is in regards to the 11/13/13 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- ☐ 110.5(1)c First-Aid supplies are available and easily accessible in the home, outdoor play area, any vehicle used to transport children, and on field trips. (You need to obtain a portable first aid kit.)
- ☐ 110.5(1)c The first-aid kit is sufficient to address first aid related to minor injury or trauma and stored in an area not accessible to children.
- ☐ 110.5(1)g Safety barriers are at stairways and doors as needed. (You need to obtain a child safety gate for your stairway.)
- ☐ 110.5(1)j Emergency and disaster plans for fire and tornado are written and posted by primary and secondary exits. (You need to post an emergency/disaster plan next to your front door. This plan should include a map of your main level and clearly mark fire/tornado exits/locations.)
- ☐ 110.5(1)j The plans shall clearly map building evacuation routes in case of fire, a safe place indoors in case of tornado, and flood shelter areas.
- ☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor. (You need to obtain a 2A 10BC fire extinguisher for your main level.)
- ☐ 110.5(1)o Nonsmoking signs posted at every entrance of the home and in every vehicle used to transport children. Signs include telephone # for reporting complaints, and www.iowasmokefreeair.gov. (You need to post the no-smoking sign I shared with you next to your front door.)

110.5(2) A provider file is maintained and contains:

- ☐ 110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must

be obtained at the time of initial registration and updated every two years. (You need to obtain copies of physician signed statements of health for yourself and all household members to be kept on file. These need to be renewed every two years.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before 12/30/13.**

☒ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 12/30/13.

Always Remember:

Child Care Resource and Referral is an excellent resource for providers to access training options and support in your area. You can reach Child Care Resource and Referral at 1-800-722-7619.

As you plan your future trainings to meet your 24 hours of training requirement, please remember that you need to use only DHS approved training and only 12 hours can be by self-study. You can access the approved training by going to http://www.dhs.state.ia.us/Consumers/Child_Care/Professional_Development.html and you can sign up for training at <https://ccmis.dhs.state.ia.us/trainingregistry/>
